The PiAf Fellows Whatsapp Community has helped me build a sense of community with my cohort.

Agree

Somewhat Agree

Is there anything in particular that PiAf could cover at orientation that would have better prepared you for your fellowship post?

Country specific visa guidance would have been extremely helpful. A guidebook written by past fellows for each country would reduce a lot of uncertainty.

Yes, the team has been responsive and supportive throughout.

Programming Ideas

More structured peer connections between fellows in similar countries. A resource library of country specific practical information.
