What kind of visa/ permit do you have or applied for?

Resident Permit

How did you obtain (or are obtaining) your visa or permit?

FOOP, my host organisation, handled the entire process. I received my Entry Visa whilst in Malawi via email, and I got my Resident Permit whilst in Freetown, just had to provide my passport photo

Did you apply for and receive your visa or permit before going to your host country or after arriving?

I applied and got my resident permit whilst in Freetown.

What costs were associated with obtaining your visa or permit?

I am not sure that was handled by my host organisation.

Did you pay the visa / permit costs or were they covered by your organization?

They were covered by the organisation.

Are you still having challenges obtaining your visa/ permit?

No

If yes, please explain further

Do you have any suggestions to help future Fellows navigate the visa / permit application process?

None, however, while doing that, find out if there are any other things you need to get, e.g., A non-national ID.

We realised later on that we needed the ID to open a bank account, so this delayed the entire process of getting an account.

What vaccinations were you required to obtain prior to your departure?

How was your arrival and first week in your host country?
