What kind of visa/ permit do you have or applied for?

I applied for a multi-entry visa, which is valid for 90 days at a time.

How did you obtain (or are obtaining) your visa or permit?

I applied for my visa online through Kenya's immigration site.

Did you apply for and receive your visa or permit before going to your host country or after arriving?

I applied for and received my visa before arriving to the country.

What costs were associated with obtaining your visa or permit?

My visa cost \$209.98.

Did you pay the visa / permit costs or were they covered by your organization?

My visa cost was covered by my organization.

Are you still having challenges obtaining your visa/ permit?

No

If yes, please explain further

Do you have any suggestions to help future Fellows navigate the visa / permit application process?

I think all host organizations should be required to provide work permits prior to fellows arriving on site. It is clear that many alumni and current fellows will not be receiving permits and instead operate on tourist visas.

What vaccinations were you required to obtain prior to your departure?

How was your arrival and first week in your host country?
